WHO WE ARE

The Broadmoor Improvement Association (BIA) is a non-profit neighborhood organization that serves those who live, work, and play in our community through a coordinated network of anchor institutions, faith-based partners, and businesses.

PROGRAMS WE'RE KNOWN FOR

The Broadmoor Food Pantry- Since 2012, The Broadmoor Food Pantry reduces hunger and promotes dignity, wellness and self-sufficiency for Orleans Parish residents. The Broadmoor Food Pantry serves clients in Orleans Parish. The BFP is operated by the BIA and is held at Broadmoor Community Church. Clients may receive food from the pantry once per calendar month. First time guests must provide proof of residency in Orleans Parish, ID, and meet income requirements to participate once a month.

Established officially in 2020, each of the three Broadmoor Gardens are accessible, equitable, and safe places for residents to learn to grow, sow and reap fresh food for the community.

The BIA offers a spectrum of wellness services and programs to help our community thrive. We offer sliding-scale counseling services to individuals, couples, and families. In addition, our team of social work interns can connect residents to quality of life support, and social services, including food access, housing, workforce development, and special needs for youth and senior residents.
